**PHENO**  
STUDIO

Since 2008, Pheno Studio Sdn Bhd had been creating astonishing 3D animation, 3D visualization, Interactive Application, Visual Reality, Augmented Reality, and Commercial.

We produce 3D visuals and animations for architecture and developer. We also specialized in motion design and visual effect for commercial and interactive media.

Pheno Studio

Located in Shah Alam, we combine the passion and excitement from our director, animator, designer, concept artist, and visualizer with our clients into a collaborative creative approach that results in compelling visual and storytelling.

The background of the central section is a dark, textured aerial map of a city. Overlaid on this is a dark circular logo. Inside the circle, the word "PHENO" is written in large, white, sans-serif capital letters. Below it, the word "STUDIO" is written in smaller, white, sans-serif capital letters, separated by a thin white horizontal line.
